### What is an Affogato?

An affogato more traditionally known as "affogato al caffe"(Italian for "drowned in coffee") is an Italian coffee-based dessert. It usually takes the form of a scoop of plain milk-flavored (fior di latte) or vanilla gelato or ice cream topped or "drowned" with a shot of hot espresso.

# **Be The Next Geláre Cafe Owner**

BE ON A SWEET ADVENTURE WITH US

Whether it's our freshly baked waffles; premium range of ice cream or our small batch roasted barista-made coffee, we make sure we make everything fresh to order the old-fashioned way, while serving it up with our own signature style and flavours.

We strive to provide our franchisees with the tools, knowledge and skills to run a great local business, and we encourage franchisees to learn the skills that allow them to own and operate in various locations.

In Singapore, we are halal certified by Majlis Ugama Islam Singapura (MUIS).
